Surface Finishes

POLISHED

Polished is our most popular finish. It has a smooth gloss that highlights the color and patterns in the stone. It fits perfectly with traditional styles or any space that could benefit from a touch of elegance and shine.

HONED

Honed is our matte finish that offers a softer, understated look. You might want to clean it more often, but it is designed to hide scratches or other signs of daily use as part of its look. Ideal for your favorite personal spaces or statement pieces.

LEATHER

Leather is a textured finish that can feel rugged and organic. This specialty finish is meant for the wild at heart or those with a bold style.

VICOSTONE
Spray Cleaner

Recommended for all finishes. Available for purchase on our website or from Vicostone distributors. Visit us.vicostone.com/en/product-care to explore care & maintenance tips or to order Vicostone Spray Cleaner.

FUSION *Series*

The Fusion Series features striking designs with swirling gray and dark brown veins that create a dynamic sense of movement and energy. These sophisticated surfaces bring bold, natural artistry to any space, offering a perfect blend of elegance and versatility for modern interior design.

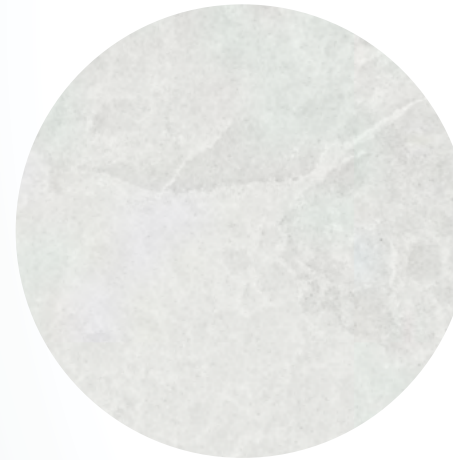

Avalanche® BQ8829

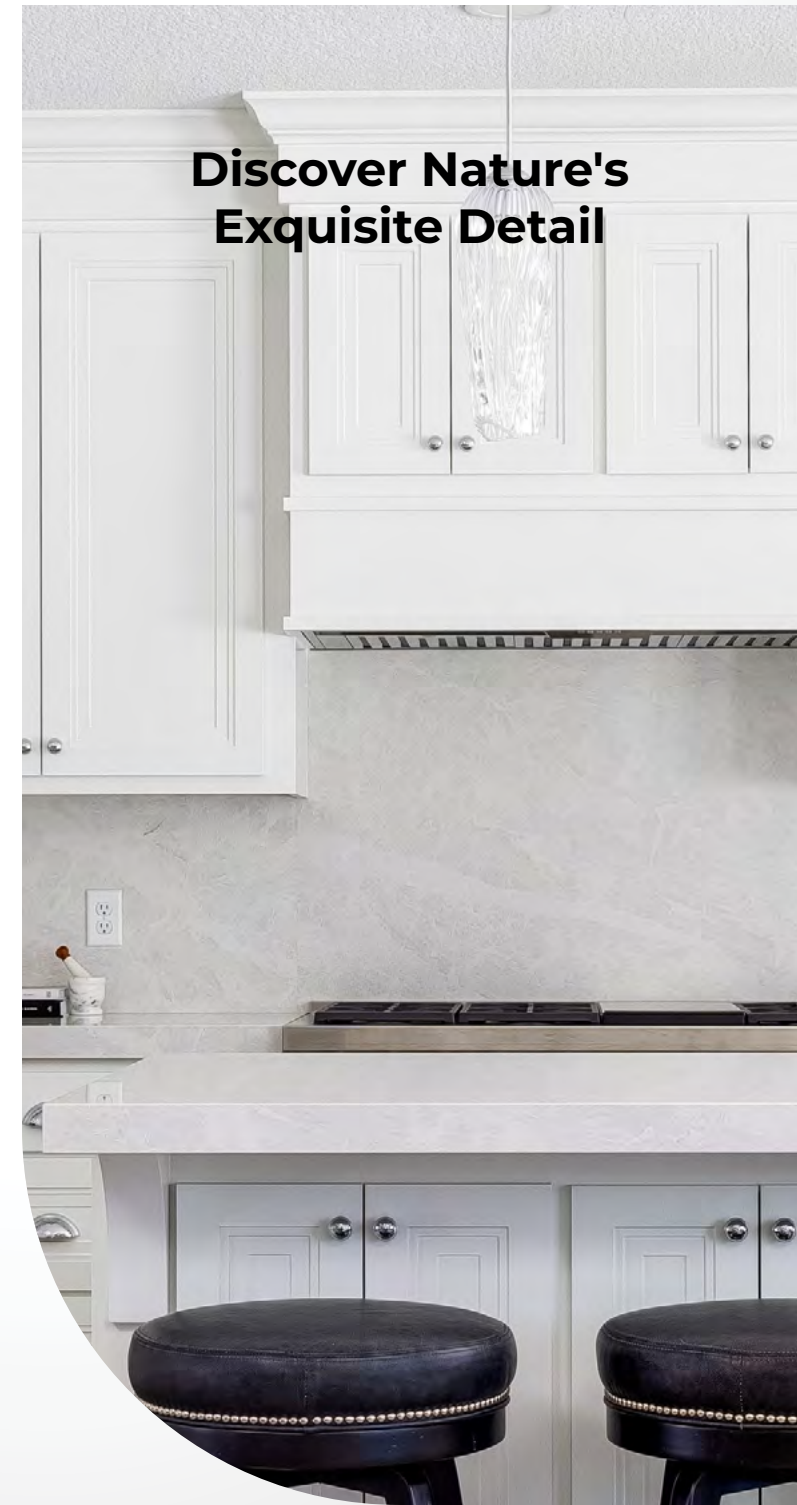

White Fusion® BQ8825

Merazo™ BQ9800

Merazo imagines the classic elegance of natural quartzite with a warm, contemporary twist. Its subtle, warm background and delicate cool-white veins offer a sophisticated appearance, adding depth and visual interest without overwhelming. Perfect for kitchens and shared spaces, Merazo brings understated luxury that suits both classic and modern styles effortlessly, pairing well with various cabinetry finishes and accent materials.
