GLOBAL TRENDSETTER IN KITCHEN COUNTERTOP

VICOSTONE brings you the best marble-look selections for any decor and style.

THE NATURAL CHOICE

VICOSTONE quartz surfaces are produced from up to 93% pure, finest natural quartz, one of the hardest mineral on Earth.

PREMIUM QUALITY

Manufactured under the combination of BRETON S.p.A technologies and VICOSTONE'S unique know-how, VICOSTONE quartz surfaces are scratch resistant, easy to clean by warm water and never need sealing or re-polishing.

ENVIRONMENTALLY FRIENDLY

VICOSTONE quartz surfaces are certified by NSF, Greenguard, and the trust of Kosher by SealK. VICOSTONE has also declared our products under LBC compliant that verified a product complies with the Living Building Challenge Red List.

FASTEST DELIVERY

VICOSTONE distributes products via our own warehouses in Dallas (TX), Houston (TX), Atlanta (GA), Chicago (IL); Toronto (ON), Montreal (QC) as well as hundred of warehouses of our distributors worldwide.

PEACE OF MIND WARRANTY

Excellent performance of product quality enables VICOSTONE to guarantee 10 years for your commercial projects and 15 years for residential private houses.

THINKING OF THE BIGGEST SLAB SIZE IN THE INDUSTRY

All products are available in Jumbo size – the biggest slab size for quartz surfaces in the industry which enable you to save materials when fabricating large projects.
